# Good conditions don't just happen

The 2025 collective agreement is here. As a result, Finansforbundet has negotiated several benefits for you and your colleagues, including:

- More in salary
- Increased skills enhancement
- More flexibility

With a strong collective agreement, you and your colleagues are also ensured holiday, solidarity, a friendly atmosphere, health insurance, maternity/paternity leave, days off, network...

All the benefits that we are all enjoying are co-created by our community.

Only members on a collective agreement with Finansforbundet can vote through the collective agreement. Sign up by 26 March and vote to have a say.
